

# BEAUTIFUL BEAUTIES OF TOMORROW

TurnKey Writing Solutions  
Nonprofit of the Month  
September 2020

## Who is Beautiful Beauties of Tomorrow (BBOT)?

Based in Miami Lakes, Florida, BBOT is dedicated to empowering girls ages of 5-19 to reach their full potential by discovering their true beauty, building their self-confidence, and cultivating the greatness they find within to help transform the world around them

## What makes them unique?

BBOT achieves its mission by partnering middle and high school aged girls with an individual mentor. These mentors and mentees have been through a rigorous application and interview process to ensure the best mentor relationship fit. BBOT believes this process and its 1-on-1 connection between mentors and mentees is what makes its program successful.

## Their Programs

BBOT offers BeYou Mentoring, a year-round program that includes monthly seminars, one-on-one mentoring, life skills, academic assistance, healthy relationships, financial literacy, and community service projects; Be You Entrepreneurs Academy, a year-long business strategy and development program; Be-You Center for after-school enrichment; BMOM Society offering support groups for mothers; and Mental Health Services.

## How Can You Help?

BBOT is seeking mentors and volunteers from across the country. You can make a difference in a young girl's life through virtual mentoring. Increase awareness about BBOT and its programs by following and sharing its social media.
