

# A MILLION DREAMZ

**Just Write Grants  
Nonprofit of the Month  
September 2022**

## Who is A Million Dreamz?

Opening in late 2022 in Sheboygan, Wisconsin, A Million Dreamz (AMD) believes that all children should have access to quality early childhood education. Open 24 hours a day, 365 days a year, A Million Dreamz will offer quality, affordable childcare in an all-inclusive, kind environment while providing resources, referrals, advocacy, and other services to encourage and support the continuing development of healthy families.

## What Makes Them Unique?

To maintain affordability, A Million Dreamz charges families only for the time their child is in care. With no flat rates and no costs for saving spots, they offer flexibility for part-time, drop-in, and occasional care that is unmatched in their area and specifically focused on assisting parents in service, health, manufacturing, and hospitality careers.

## Their Programs

AMD's Flexible Rate Program helps families earning above 200% of the federal poverty rate with necessary assistance not provided by the Wisconsin Department of Children and Families and provides a stepping stone for struggling families towards self-sufficiency. Their Special Needs Program ensures that the center is accessible and accommodating for all children from birth to age 17. Each family will have the opportunity to work with AMD to develop a personalized education plan to assist and support children in need of additional services.

## How Can You Help?

If you are local to the Sheboygan, WI area, you can donate items, volunteer, register your child, or join the staff. Donors can sponsor a room, join the Hall of Stars list, or make a tax-deductible contribution to AMD's capital campaign.
